**THANK YOU FRIENDS FOR
MAKING 2023 A GREAT YEAR!**

Thanks to your generous support again this year, MAD Cats has been able to spay, neuter, and vaccinate (SNV) a record number of cats in Madison and Culpeper Counties, VA. Since our humble beginning in 2018, **we have SNV more than 4,000 domestic and community cats!** Statistics tell us one un-spayed female can have up to 3 litters/year in our region with an average of 4.3 kittens per litter. Therefore we estimate our programs have prevented the birth of tens of thousands of kittens.

We wish you and your family a safe and happy holiday! Thank you for supporting the mission and programs of Madison Community Cats.

Gary, Sharon, Amy, Kelly, Pat, and Laurie
